

UK-Declaration of conformity

SCHMIDT Technology GmbH herewith declares in its sole responsibility that the product

**SCHMIDT® Flow Sensor SS 20.651**

Part-Nos. **546 650**

is in conformity with the following UK statutory regulation:

**Title: Electromagnetic Compatibility Regulations 2016**

The following designated UK standards were used for assessment of the product therefore:

- Emission (residence): **BS EN 61000-6-3: 2007/A1:2011/AC:2012**
- Emission (industrial): **BS EN IEC 61000-6-2: 2019**

This declaration certifies the compliance with the mentioned regulation but comprises no confirmation of attributes. The security advices of the included product documentation have to be observed. The above mentioned product was tested in a typical configuration.
